**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support Broadband competition. I had Xfinity in the past and they had been horrible since there were no competition from othe provider. The company kept increasing price without any justification. Monopoly is the death to our economy! Let competition continue and prosper. Let people have more choices!
